First Class Hands-on Courses Worldwide

Exclusive Equine Ski Adventure (Austrian Alps) – 5 Days of Lectures, Case-Discussions & Powder Skiing

SPEAKERS / INSTRUCTORS:

Lauren Schnabel DVM, PhD, Dipl.ACVS, Dipl.ACVSMR
American Specialist in Large Animal Surgery & in Equine Sports Medicine/Rehabilitation
Associate Professor, Equine Orthopedic Surgery, North Carolina State University, Raleigh, NC, USA

Kurt Selberg DVM, MS, Dipl.ACVR
American Specialist in Veterinary Radiology
Inside Information Radiology & Assoc. Prof., Veterinary Diagnostic Imaging, Colorado State University, Fort Collins, CO, USA

Silvia Stadler Dr.med.vet, Dipl.ACVO, Fachtierärztin Pferd
American Specialist in Veterinary Ophthalmology
Equine Ophthalmologist, Tillysburg Equine Clinic, Austria

Bettina Dunkel DVM, PhD, Dipl.ACVIM, Dipl.ECEIM, Dipl.ACVECC, FHEA, MRCVS
American & European Specialist in Veterinary Internal Medicine / American Specialist in Emergency & Critical Care
Royal Veterinary College, London, United Kingdom

PROGRAM:

Saturday 18. January   Arrival of the Attendees & Speakers   8.00 – 8.30 pm   Course Introduction

Sunday 19. January

| 6:00 – 7:00 am | Leisurely Breakfast |

Orthopaedics & Diagnostic Imaging   **Ophthalmology**

7:00 – 8:00 am   Practical Approaches to Lameness Localization & Diagnostic Decision Making   The Mystery of Equine Uveitis
8:00 – 9:00 am   Non-Biologic Chondroprotective Therapies

Skiing, Snowboarding & Alternative Outdoor Activities
9:00 – 3:30 pm   Silvretta Arena, Tyrol: Ischgl / Samnaun & Paznaun

| 3:00 – 4:00 pm | Powder Happy Hour |

Diagnostic Imaging   **Ophthalmology**

4:00 – 5:00 pm   Ultrasound & X-ray of the Foot and Pastern   Corneal Diseases – Overview on Pathophysiology, Diagnostics & Treatments
5:00 – 6:00 pm
6:00 – 7:00 pm   Ophthalmologic Applications of Stem Cells: Specific Focus on Corneal
                   Standing CT of the Distal Limb   Wound Healing & Immune-Mediated Keratitis

| 7:00 pm… | Wining & Dining |

Monday 20. January

| 6:00 – 7:00 am | Leisurely Breakfast |

Imaging-Guided Injection Techniques   **Ophthalmology**

7:00 – 8:00 am   An Overview on Diagnostics & Treatment of Immune-Mediated Ocular
8:00 – 9:00 am   Ultrasound- & X-Ray-Guided Injections and Procedures   Diseases – an international Review

Skiing, Snowboarding & Alternative Outdoor Activities
9:00 – 3:30 pm   Silvretta Arena, Tyrol: Ischgl / Samnaun & Paznaun

| 3:00 – 4:00 pm | Powder Happy Hour |

Regenerative Orthopaedic Strategies   **Ophthalmology & Diagnostic Imaging of the Head**
4:00 – 5:30 pm   Regenerative Strategies for Equine Tendon & Ligament Injuries   Equine Vision – 1How do Horses see in comparison to People?
5:30 – 7:00 pm   Regenerative Strategies for Intra-Articular Diseases & Injuries   Head Imaging with Specific Focus on the Eye – Ultrasound, X-Ray & CT

| 7:00 pm … | Wining & Dining |

Tuesday 21. January

6:00 – 7:00 am	**Leisurely Breakfast**

Orthopaedic Diagnostics — **Orthopaedic & Medical Emergencies**

7:00 – 8:00 am	Correlation between Blocking Results & Common Injuries of the Distal Limb — Advances in the Diagnosis & Treatment of Septic Synovial Structures
8:00 – 9:00 am	Tarsal Radiography & Suspensory Ligament Ultrasound

Skiing, Snowboarding & Alternative Outdoor Activities
Silvretta Arena, Tyrol: Ischgl / Samnaun & Paznaun

9:00 – 3:30 pm	
3:00 – 4:00 pm	**Powder Happy Hour**

Orthopaedic Rehabilitation — **Emergency Medicine & Critical Care I**

4:00 – 5:00 pm	How Imaging Correlates to Prognosis, Rehabilitation & Return to Work — Respiratory Emergencies
5:00 – 6:00 pm	Core Principles of Rehabilitation for Equine Athletes — Transfusion Medicine
6:00 – 7:00 pm	Frontiers in Athletic Rehabilitation: What is Translatable to the Horse… — Critical Care of the Sick Horse

7:00 pm …	**Wining & Dining**

Wednesday 22. January

6:00 – 7:00 am	**Leisurely Breakfast**

Orthopaedic Diagnostics — **Emergency Medicine & Critical Care II**

7:00 – 8:00 am	Correlation between Stifle Radiology & Ultrasound — Muscular Compartment Syndrome in the Horse
8:00 – 9:00 am	— Iatrogenic Emergencies

Skiing, Snowboarding & Alternative Outdoor Activities
Silvretta Arena, Tyrol: Ischgl / Samnaun & Paznaun

9:00 – 3:30 pm	
3:00 – 4:00 pm	**Powder Happy Hour**

Problems of the Axial Skeleton — **Foal Medicine / Pre- & Probiotics**

4:00 – 5:00 pm	Evaluation of Poor Performance in the Sport Horse – Axial Skeleton — Essential Guide to the Neonatal Foal
5:00 – 6:00 pm	Cervical Radiography & Ultrasound — Respiratory Diseases in Foals
6:00 – 7:00 pm	How to Get a Horse with Back Pain Back to Work — Pre- & Probiotics - What's the Evidence

7:00 pm…	**Wining & Dining**

Thursday 23. January

Hotel Check-Out / Skiing & Other Outdoor Activities / Return Journey
