WILD TASMANIA BOUTIQUE EVENT: RUGGED NATURE, WINES & CONTINUING EDUCATION

EQUINE & SMALL ANIMAL

Escape to the wild beauty of Tasmania for a boutique CE experience unlike any other.

This exclusive Destination Event seamlessly combines world-class, interactive education with the island's legendary landscapes, food, wine and culture – designed for those who seek clinical inspiration while immersing themselves in unique travel experiences alongside like-minded professionals.

Peppers Silo Launceston, Launceston, Tasmania
SUN, 01 MARCH, 2026 - SAT, 07 MARCH, 2026

REGISTRATION DEADLINE: SAT, 31 JANUARY, 2026

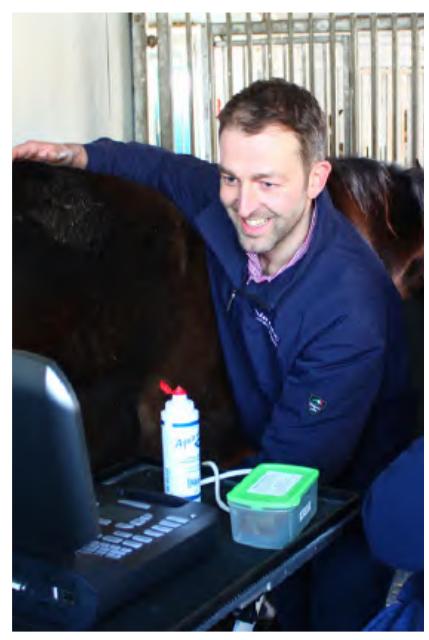

Secure your spot with our special Early-Bird Rates! Visit, www.vetpd.com

LOCAL VET CE-ONLY REGISTRATION OPTIONS AVAILABLE

This option is ideal for attendees who wish to attend only the continuing education programme without accommodation, social or activities event inclusions. CE-only registration includes access to all scheduled educational sessions as well as the associated tea/coffee breaks and lunches during the CE programme.

If you are based locally or can arrange your own accommodation and travel, you qualify for this reduced CE-only rate.

Beyond Basics: Practical Advanced Medical Ultrasound

Sat 23 – Sun 24 May

Avenel Equine Hospital, Melbourne, VIC

Expand your diagnostic toolkit with this highly practical 1½-day course in equine medical ultrasound. Refine your scanning technique and clinical confidence across key regions through expert-led lectures and extensive hands-on training.

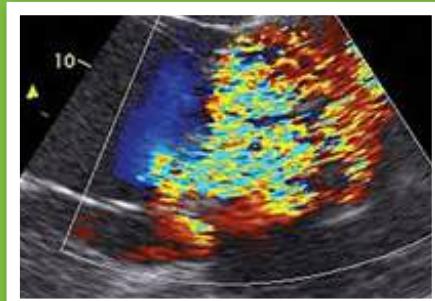

You'll Gain:

- Practical skills in abdominal, thoracic & cardiac ultrasound
- Confidence performing colic FLASH & comprehensive abdominal examinations
- Insight into common pitfalls & how to avoid diagnostic errors
- The ability to apply ultrasound findings directly to clinical decision-making

Niamh Collins DECEIM – Scone Equine Hospital, Australia

Laura Nath CertEM – Private Consultancy, Australia

Francesca Worsman DECEIM – Avenel Equine Hospital, Australia

JAPAN - November 2026

Upcoming Course

Cardiology Triage for Equine Practitioners

with **Celia Marr** DEIM, DECEIM

Rossdales Equine Hospital, UK in Hokkaido, Japan

Beyond the Basics in Mare Reproduction

Fri 14 – Sat 15 August

WestVETS (Marburg), Brisbane, QLD

Enhance your reproductive medicine skills with this highly practical two-day course in mare reproduction. Designed for equine veterinarians keen to strengthen their confidence and clinical technique, this course combines expert-led lectures with extensive, hands-on training under the guidance of world-renowned specialists.

You'll Gain:

- Practical techniques in artificial insemination and semen handling to maximize pregnancy rates
- Skills to diagnose and manage reproductive challenges in mares
- Expertise in fetal sexing, peri-partum care, and managing emergencies such as dystocia and retained fetal membranes
- Confidence using advanced imaging methods — including Doppler ultrasound — to assess the uterus, fetus, and utero-placental unit
- Direct experience with hysteroscopy, uterine sampling, oocyte collection, and other essential reproductive procedures

Jennifer Clulow DACT – Charles Sturt University, Australia

Lee Morris DVSc, DIPACT – EquiBreed, New Zealand

Tori Doyle BVSc(Hons), MACVSc – WestVETS Equine Hospital, Australia

AUSTRALIAN TROPICS BOUTIQUE CE EVENT: REEF, RAINFOREST & BEACH ADVENTURE

EQUINE & SMALL ANIMAL

Combine world-class CE sessions with unforgettable days diving the Great Barrier Reef, exploring lush rainforests, or relaxing on pristine beaches, and evenings of wining, dining, and networking with veterinarians from around the globe.

“ WORKSHOP FEEDBACK ”

“Detailed & advanced lectures, very hands-on with a good mix of models and cadavers. Speakers were experienced, patient & encouraging”

Melbourne, Australia, June 2025

“Lectures were great with specific topics, workshops with small enough groups and just enough time, great speakers.”

Jade Janssens, Melbourne, Australia, June 2025

“Excellent course with sensational speakers; content was appropriate for non-hospital based ambulatory vets and will definitely be used in practice. Much appreciated, thank you!”

Wade Howden, Sydney, June 2023

“Very good course in explaining and investigating a complex topic (Neurology) which all vets need to understand better. Great tutors who were extremely approachable, knowledgeable, and very generous with their case experience.”

Roisin McQuillan, Wellington, New Zealand, July 2023

“Sensational practical session, very good tutors - worth going”

Katie Grant, New Zealand, June 2025
